

The ISD Junior Variety Show will be on March 27 and 28 at 7:00 p.m. in the Auditorium of the Indiana School for the Blind. The Blind School is located on north College Avenue. The Junior Variety Show is sponsored by the Class of 1997.

ISD and ISB are working on the 1996-1997 school calendar and will hopefully be able to share it with staff prior to ISD's Spring Vacation. It appears from the preliminary meetings that school will start on August 26 with registration day on August 25. The Indiana State Fair will run from August 7-18 so the Fair will be over by the time school starts.

ISD will host the 4-H participants at the Indiana State Fair this year. Planning meetings are being scheduled and the Student Life Department will coordinate the use of campus.

ISD through the Educational and Student Life Departments will be working with Tri-County Mental Health and Fairbanks Hospital to complete the grant for the 1995-1996 school year for Drug and Alcohol Prevention and work on the grant for the 1996-1997 school year. The grant generates approximately \$57,000.00 annually and will be used solely for ISD to provide programming in Drug and Alcohol Prevention.

Congratulations to Jeff King for just receiving a "Teacher Creativity Fellowship" from Lilly Endowment Inc. in the amount of \$4,500. Six hundred (600) teachers applied for the fellowships and only eighty (80) teachers were selected. Mr. King's fellowship was awarded for his preparation of a children's theater production "North American Indian Myths and Legends," to be performed in American Sign Language. Great job Jeff!
